

The British Association of Sport and Exercise Sciences  
Annual Report 2011-2012

## The Board Report

The Board has pleasure in presenting its report and the financial statements of the British Association of Sport and Exercise Sciences (BASES) for the year ended 31 March 2012. The main attention of the Board has been given to the items identified in the Strategic Plan 2011-14. The governance of the Association was undertaken in accordance with our rules and articles.

### Research, evidence-based practice and distribution of knowledge

BASES has continued to deliver high-quality continuing professional development events over the last year. BASES Conference 2011 was hosted by the University of Essex between the 6th and 8th September 2011 and was attended by over 350 delegates. The conference theme was *Fatigue: An Interdisciplinary Approach* and included an impressive line up of internationally renowned experts who presented different but compelling perspectives on fatigue. Keynote speakers included Prof Scott Powers (University of Florida), Prof Roger Enoka (Colorado University), Prof Jack Raglin (Indiana University), Prof Alison McConnell (Brunel University), Prof Leslie Findlay (Essex Neurosciences Unit) and Dr Ken van Someren (English Institute of Sport). The conference culminated in an interdisciplinary panel of keynote presenters for a stimulating debate on the future of fatigue research including the potential for interdisciplinary contributions.

2012 BASES Student Conference took place at the University of East London between the 10th and 13th April 2012. The event had 353 delegates from 7 countries, 170 student presentations, 4 keynote presentations and 5 invited speakers. The event received much positive feedback from delegates who reported enjoying a friendly, challenging, pleasurable and well organised conference. The University of

East London is very grateful to BASES for giving it the opportunity to host the event and wishes Richard Neil and Cardiff Metropolitan University well for the 2013 conference.

BASES organised 14 workshops, which were attended by 239 delegates. Seven workshops were linked with the new Supervised Experience programme, including three supervisee entry workshops and two supervisor/reviewer workshops. Of particular note was the workshop "Sport Psychology Delivery Inside US Professional Sport and the English Premier League" held at Liverpool John Moores University which was attended by 63 delegates.

BASES continues to promote research and evidence-based practice through its publication portfolio: *The Journal of Sports Sciences* has a new impact factor of 1.93 that puts us at 28th out of 84 in sport related journals. The number of articles the Journal is receiving remains overwhelmingly high with over 478 articles received from 1st January to 9th June 2012. In order to cope with this ever increasing demand, the Journal increased the number of issues from 12 to 16 issues per year and the Editorial Board has now expanded to ten sections and their corresponding editors. The latest sections and editors are as follows;

1. Biomechanics, edited by Eric Wallace, Director of the Sport & Exercise Science Research Institute, University of Ulster
2. Kinanthropometry and Body Composition, edited by Samantha Fawcner, The Moray House School of Education, University of Edinburgh
3. Motor Behaviour and Expert Performance, edited by A. Mark Williams, Research Institute for Sport and Exercise Sciences, Liverpool John Moores University
4. Nutrition and Biochemistry, edited by Gareth Davison, Sports and Exercise Research Institute, University of Ulster
5. Performance Analysis, edited by Barry Drust, School of Sport and Exercise Sciences, Liverpool John Moores University

**"The University of East London hosted the BASES Annual Student Conference 2012 with the theme of *Olympic and Paralympic Athletes: Research and Applied Perspectives.*"**

6. Physiology, edited by Neil Walsh, School of Sport, Health and Exercise Science, Bangor University

7. Psychology, edited by Andrew Lane, School of Sport, Performing Arts and Leisure, University of Wolverhampton

8. Sport Performance edited by Edward Winter, The Centre for Sport and Exercise Science, Sheffield Hallam University

9. Talent Identification and Coaching, edited by Richard Davison, International Sports Consultancy, Butlers Cottage, Fairburn, Muir of Ord

10. Physical Activity for Health, edited by Colin Boreham, UCD Institute for Sport and Health, Phillips Building, University College Dublin.

We recognise that Dr Barry Drust will soon be standing down as the section editor of Performance Analysis to be replaced by Grant Abt, Hull University. Barry has been a valuable member of the Editorial Board for the past three years, and we would like to take this opportunity to thank him for all his hard work dealing with the ever increasing number of articles the Journal is both receiving and publishing.

The Journal of Sports Sciences continues to grow in popularity at an impressive rate, with a steadily increasing impact factor, maintaining a stable reputation as one of the leading academic journals of Sport Science in the world. As in previous years, Professor Alan Nevill Chief Editor would like to thank all those responsible for keeping the Journal in such a

### **“BASES delivers authoritative evidence-based publications”**

healthy state, including authors, section editors, reviewers, members of the editorial and advisory boards and, of course all the support team and administrators at Taylor and Francis.

The Sport and Exercise Scientist aims to contribute to the continuing professional development of sport and exercise scientists by promoting evidence-based practice. In the past year there has been an Olympic and Paralympic focus in the build up to London 2012. The introduction of columnists, expert panels, a regular contribution from the Chair, case studies and a more applied focus have been well received by members. Plans are afoot to increase the number of biomechanics, performance analysis, nutrition, and education and professional development articles.

The BASES annual awards scheme continues to support excellence and the grants scheme provides financial support for BASES members to attend UK and international conferences.

The Expert statements continue to prove a great success. Each statement is prepared by leading experts in the field. Member feedback is positive and the statements have been a valuable addition to The Sport and Exercise Scientist. The BASES website is receiving numerous visits to access the PDF files. There are currently nine statements published and more under development. The expert statements are part of the Association's strategic objective to deliver authoritative, evidence-based publications. They add to the Journal of Sports Sciences, The Sport and Exercise Scientist, the conference abstracts, and other occasional publications.

BASES Fellowship recognises esteemed professional achievement, skills, knowledge and service to BASES and the sport and exercise science community made by BASES professional members. Thirteen new Fellowships were awarded in 2011, which brings the total of BASES Fellows to 67.

BASES continues to enhance its website and customer management system to improve its service to members. The Association's impact on the environment has been lessened by reducing travel and paperwork by slimming down its organisational structure and by holding more meetings through electronic conferencing.

### **High professional standards**

There are now 191 BASES members currently undertaking Supervised Experience with 100 Registered Supervisors and 46 Reviewers supporting the new scheme. BASES has 339 accredited members, 23 Certified Exercise Practitioners and 20 members holding High Performance Sport Accreditation.

There are now 21 accredited physiology laboratories and a new opportunity exists for overseas laboratories to become accredited. Overseas laboratories may apply for laboratory accreditation and this will be acknowledged with the title BASES Accredited Laboratory (Overseas).

The BASES Undergraduate Endorsement Scheme has 32 courses across 27 institutions, with Liverpool John Moores University and University of Worcester successfully endorsing their courses over the past year. Cardiff Metropolitan University, Coventry University, Edgehill University, Newman University College, Northumbria University, St Mary's University College, University of Central Lancashire, University of Chichester and University of Portsmouth have also successfully re-endorsed their courses.

The role of the Student Advisory Group (SAG) is to represent the interests of sport and exercise science students. The committee is chaired by the Education Officer and includes Student Representatives from each of the three divisions. The divisional members have sourced useful links for students across all disciplines that are available within the member area of the BASES website.

For a number of years BASES has been trying to gain formal external recognition of the profession of sport and exercise scientist. BASES was on the verge of completing an application for recognition by the Health Professions Council but last year we reported how the new coalition government parliamentary bill had led to the HPC being prevented from adding new professions – not just BASES but others who were in the process of developing an application. This remains the case. However, as an alternative BASES has been pursuing acceptance by The Science Council. Professor Edward Winter has led our application. In June 2012 the Science Council Board announced they had accepted BASES and appropriately qualified members will be able to gain Chartered Scientist status.

The Division of Physical Activity for Health (PA4H) has welcomed two new members to the Committee, Dan Robbins and Dr David Broom. The new arrivals meant we bid a very fond farewell with great thanks to Kirsteen Torrance and Dr Viki Penpraze for their sterling contributions to the Division. Our primary objective for the year has been to examine existing, and to devise new, strategies to increase and retain the BASES membership. This has been a significant challenge in the wake of the global recession, but one the Committee have attacked with gusto. The opportunity for BASES members to be offered Chartered Scientist (CSci) status to complement our existing accreditation scheme is very exciting and will be a major additional member benefit. Our new student representative, Dan Robbins, has been instrumental in developing a plan for regular webinars, which we hope will be delivered by Human Kinetics and should offer members new CPD opportunities. Physical activity for health research featured prominently at the Annual Conference in Essex and, despite the natural focus on performance with the Olympics and Paralympics only months away, also at the recent Student Conference in London. The success of the BASES Expert Statements has been tremendous and it is fantastic to see that half of them have a health focus – we hope our Divisional members continue to contribute to this excellent resource. Extensive divisional membership critical feedback led to significant improvements in the Joint Consultative Forum's Professional and Operational Standards for Exercise Referral draft document. BASES and the Royal College of Physicians' Faculty of Sport and Exercise Medicine are striving to identify the threshold competencies required to meet the standards outlined in the document.

### **Represent sport and exercise sciences**

BASES continues to look at opportunities to strengthen the membership benefits and services and has launched a work placement function on the website in response to member feedback. The aim of this is to assist people in gaining experience to be able to find future employment. The

Division of Education and Professional Development's Chair gave a highly successful workshop on assisting SES graduates to get employment in HE at the recent Student Conference.

Membership at 1 May 2012 was 2,295 comprising 898 professional members, 1149 student members, 75 graduate members, 55 overseas members, 40 affiliate members, 67 fellows and 11 retired members.

The ninth annual BASES Heads of Department forum took place in May 2012. Thirty-five attendees represented the leading Sport and Exercise Science departments from around the U.K. The group helped to develop a statement on the importance of sport and exercise science. Professor Bill Baltzopoulos, vice-Chair panel 26, led a session on the Research Excellence Framework.

BASES is improving communications with key stakeholders and university contacts in order to raise the profile of the Association. Many members have been featured in numerous television, radio, newspaper and magazines concerning the Olympic and Paralympic Games. Through the Chair, BASES is also linked to the research strategy advisory committee of the DCMS and the Board of the English Institute of Sport. The Chair and several members of the Association have presented evidence to the House of Lords select committee on sports science. The Lords' report is due to be published in summer 2012.

The 2012 BASES Student Conference was hosted by the University of East London, which was based very close to the site of the Olympic and Paralympic Games and was themed accordingly. The annual conference has been integrated into the International Convention on Science, Education and Medicine in Sport (ICSEMIS), the IOC's pre-Olympic conference, allowing members to network and present their work alongside around 3,000 delegates from around the world. BASES has been awarded 10 funded symposia by the conference organisers and undertook a competitive tender during the year to select the best proposals by members.

The Division of Sport and Performance has engaged in a number of partnership initiatives with the Physiological Society, Society of Biology and Wellcome Trust along with two EIS accredited laboratories.

### **Finance**

Despite a difficult external financial climate, BASES reports a small (1%) increase in income for the year to £260,391. There was a surplus for the year of £27,198 compared to a deficit the previous year of £61,290. Membership income declined slightly during the year but other forms of income counter-balanced this reduction. During the year the Board has been concerned to return finances to a sustainable and balanced pattern. Staffing levels have been reduced which, combined with careful cost control, places the accounts in a secure and composed financial position. The small surplus for the year provides the opportunity for strategic developments in 2012/13 or protection against a reduced income should the external economic climate worsen.

### **Acknowledgements**

Finally, the Board would like to pay special tribute to those individuals who have contributed their time and energy to the Association.

## Company Information and Report of the Directors for the year ended 31 March 2012

### **Directors**

• Prof I Campbell • Dr G Chan • Prof J Doust • Ms N Grimshaw • Dr C L Hitchings  
Dr S Ingham • Miss D L Pearce • Dr K Tolfrey • Prof R Tong

### **Secretary**

Miss J Bairstow.

### **Registered office**

Fairfax Hall, Leeds, West Yorkshire, LS6 3QS.

### **Registered number**

05385834 (England and Wales).

### **Accountants**

Kirk Newsholme, Chartered Accountants, 4315 Park Approach, Thorpe Park, Leeds, West Yorkshire, LS15 8GB.

The directors present their report with the financial statements of the company for the year ended 31 March 2012.

### **Principal activity**

The principal activity of the company in the year under review was that of promoting evidence-based practice and research in sport and exercise sciences through conferences, workshops and publications.

### **Directors**

The directors shown below have held office during the whole of the period from 1 April 2011 to the date of this report:

• Prof J Doust • Dr C L Hitchings • Miss D L Pearce • Dr K Tolfrey • Prof R Tong

Other changes in directors holding office are as follows:

Mrs S Anstiss - resigned 28 July 2011

Dr D Micklewright - resigned 5 September 2011

Mr G Wilson - resigned 5 September 2011

Dr S Ingham - appointed 5 September 2011

Dr G Chan - appointed 5 September 2011

Prof I Campbell - appointed 7 September 2011

Ms N Grimshaw - appointed 14 September 2011.

### **Company objectives**

The objects of the company are the promotion of research in sport and exercise sciences, the encouragement of evidence-based practice in sport and exercise sciences, the distribution of knowledge in sport and exercise sciences, the development and maintenance of high professional standards for those involved in sport and exercise sciences and the representation of the interests of sport and exercise sciences both nationally and internationally and the company is a 'not for profit' organisation.

# Report of the directors for the year ended 31 March 2012

## Statement of directors' responsibilities

The directors are responsible for preparing the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the income and expenditure of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## Report of the Directors for the year ended 31 March 2012

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

### On behalf of the Board:

**Prof J Doust FBASES**

**Chair**

Date: 30 April 2012

The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 March 2012.

The members have not required the company to obtain an audit of its financial statements for the year ended 31 March 2012 in accordance with Section 476 of the Companies Act 2006.

The directors acknowledge their responsibilities for:

- ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and
- preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

The financial statements have been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies and with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The financial statements were approved by the Board of Directors on 30 April 2012 and were signed on its behalf by:

**Prof J Doust FBASES**  
Chair

# Notes to the Financial Statements for the year ended 31 March 2012

## 1. Accounting policies

### Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

### Income

Membership fees are recognised in the income and expenditure account over the period of membership. All other income is recognised as it is earned and the company has obtained the right to the consideration.

### Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and Fittings	- 10% on cost
Computer Equipment	- 33% on cost and 25% on cost
Website Development	- 100% on cost

## 2. Income

The company's income is mainly derived from membership fees. This income is recognised in the income and expenditure account so as to match the costs as and when they are incurred.

### Membership fees income

	31.03.12	31.03.11	31.03.10
	£	£	£
Deferred income b/fwd	44,047	45,209	41,034
Receipts in the year	129,852	126,192	126,434
Deferred income c/fwd	(46,950)	(44,047)	(45,209)
<b>Income per accounts</b>	<b>126,949</b>	<b>127,354</b>	<b>122,259</b>

## 3. Operating surplus

The operating surplus (2011 - operating deficit) is stated after charging:

	2012	2011
	£	£
Depreciation - owned assets	1,296	1,244
Pension costs	8,705	11,354
	<u>57,949</u>	<u>62,413</u>
Directors' remuneration and other benefits etc.		

# Notes to the Financial Statements for the year ended 31 March 2012

## 4. Taxation

As the company's activities are undertaken not with a view to realising a profit but to advance the promotion of research into sports sciences and the other objectives set out in the Directors' Report, HMRC have agreed that only the company's other income is subject to corporation tax.

## 5. Tangible fixed assets

	Fixtures and fittings	Computer equipment	Totals
	£	£	£
<b>Cost</b>			
At 1 April 2011	1,029	28,322	29,351
Additions	<u>-</u>	<u>908</u>	<u>908</u>
At 31 March 2012	<u>1,029</u>	<u>29,230</u>	<u>30,259</u>
<b>Depreciation</b>			
At 1 April 2011	511	26,356	26,867
Charge for year	<u>103</u>	<u>1,193</u>	<u>1,296</u>
At 31 March 2012	<u>614</u>	<u>27,549</u>	<u>28,163</u>
<b>Net book value</b>			
At 31 March 2012	<u>415</u>	<u>1,681</u>	<u>2,096</u>
At 31 March 2011	<u>518</u>	<u>1,966</u>	<u>2,484</u>

## 6. Debtors: amounts falling due within one year

	2012	2011
	£	£
Trade debtors	14,697	24,695
Prepayments and accrued income	<u>1,200</u>	<u>2,494</u>
	<u>15,897</u>	<u>27,189</u>

## Notes to the Financial Statements for the year ended 31 March 2012

### 7. Creditors: amounts falling due within one year

	2012	2011
	£	£
Trade creditors	5,336	6,803
Tax	-	119
Social security and other taxes	4,870	5,645
Other creditors	1,139	999
Accruals and deferred income	<u>74,545</u>	<u>75,607</u>
	<u>85,890</u>	<u>89,173</u>

Included within accruals and deferred income is £70,267 (2011: £61,935) of deferred income, of which £46,950 (2011: £44,047) relates to deferred membership fees.

### 8. Reserves

	Retained reserves
	£
At 1 April 2011	127,558
Surplus for the year	<u>27,198</u>
At 31 March 2012	<u>154,756</u>

### 9. Ultimate controlling party

The directors control the broad operating and financial strategy of the company.

### 10. Capital

The Company is limited by guarantee and has no share capital. The liability of the members in the event of a winding up is limited to £1 per member.

# Chartered Accountants' Report to the Board of Directors on the Unaudited Financial Statements

In order to assist you to fulfil your duties under the Companies Act 2006, we have prepared for your approval the financial statements of The British Association of Sport and Exercise Sciences for the year ended 31 March 2012 which comprise the Income and Expenditure Account, the Balance Sheet and the related notes from the company's accounting records and from information and explanations you have given us.

As a practising member firm of the Institute of Chartered Accountants in England and Wales (ICAEW), we are subject to its ethical and other professional requirements which are detailed at [icaew.com/membershandbook](http://icaew.com/membershandbook).

This report is made solely to the Board of Directors of The British Association of Sport and Exercise Sciences, as a body, in accordance with our terms of engagement. Our work has been undertaken solely to prepare for your approval the financial statements of The British Association of Sport and Exercise Sciences and state those matters that we have agreed to state to the Board of Directors of The British Association of Sport and Exercise Sciences, as a body, in this report in accordance with AAF 2/10 as detailed at [icaew.com/compilation](http://icaew.com/compilation). To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and its Board of Directors, as a body, for our work or for this report.

It is your duty to ensure that The British Association of Sport and Exercise Sciences has kept adequate accounting records and to prepare statutory financial statements that give a true and fair view of the assets, liabilities, financial position and profit of The British Association of Sport and Exercise Sciences. You consider that The British Association of Sport and Exercise Sciences is exempt from the statutory audit requirement for the year.

We have not been instructed to carry out an audit or a review of the financial statements of The British Association of Sport and Exercise Sciences. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the statutory financial statements.

Kirk Newsholme, Chartered Accountants, 4315 Park Approach, Thorpe Park, Leeds, West Yorkshire, LS15 8GB.

Date: 3 May 2012
